NPS Curriculum:

The curriculum followed by Novel Public School has been designed in consultation with pioneers in Elementary School Education. After several brainstorming sessions, suitable books from renowned publishers are chosen based on the value they provide in-line with pedagogy NPS has adopted. Further, during selection of books, due consideration of ease of availability books has been taken into account (books are available at all popular books shops in the valley).

The list of prescribed books with publications for each grade are listed below:
